Scholarship Club Prepares Adept Pupils For the Coming College Entrance Exam

The Scholarship Club, headed by Brother C. Anselm and Brother A. Kevin, is currently preparing Seniors for the forthcoming College Entrance Examination.

The first test is Dec. 6 and being close at hand, time is of major importance in the club's routine. There are meetings every day of the school week, usually lasting 45 min-

utes, with a set amount of work

to be accomplished. Brother An-

Forensic Departments **Undergo New Changes**

Loughlin's Forensic Society, formerly the Public Speaking and Debating Departments, has now been divided into three separate divisions.

They are: Freshmen Public Speaking under the guidance of Brother B. Charles; Varsity Public

Speaking directed by Brother A. Robert; and Varsity Debating under the direction of Brother C Stanislaus.

Freshmen Public Speaking

Brother Charles expressed high hopes of establishing a freshmen public speaking intramural program, and though it has not been fully initiated, it is expected that the first contest will be held in early November.

Varsity Public Speaking

Members of the Debating Society attended their first meeting, October 15, in which they were acquainted with this year's schedule. Their first competition will be at St. John's Prep.

Mientek Qualifies in National Merit Test

Brother B. Stephen, principal, announced that Anthony Mientek, 116, has been named Semi-finalist in the 1958-59 National Merit Scholarship competition.

Mientek is among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nationwide test of educational development given in over 14,000 high schools on April 29.

Qualifying as a Semi-finalist means that he outscored over 479,000 classmates, and has moved one step closer to an estimated \$5 million in Merit Scholarships.

To Take Another Test

He now faces another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further substantiate his high score on the NMSQT. By repeating his high score, Mientek will become a Finalist in the competition.

225 Couples Attend First Senior Dance; Seniors Celebrate White Party Victory

Loughlin's first senior dance of the year, attended by two hundred and twenty-five Loughlin seniors and their dates, took place on Friday night, October 24.

Music

Tony Garro and the Starlighters, a nine piece company of musical performers, with a vocalist, supplied the music for the night. The event was under the moderation of Brother A. James, director of Senior Activities. The dance, originally scheduled for October 17, was postdeath of Pope Pius XII.

Committee Chairmen for the event were Joe Hempfling, 117 and Joe Veneziano, 310.

White Victory

In accordance with one of the White Party, this dance served as a victory dance as well as the first senior dance of the school year. Unlike the senior classes of former years, who attended one senior dance, this year's seniors are planponed a week, in memoriam of the ning several dances for seniors only.

Other Candidates

The nominees for the Gold Party were Tony Rivezzo, president; Charlie O'Donnell, executive vicepresident; Neil Mahoney, vice-president; Jim Schreiner, treasurer; John Geraghty, manager; with Richard Brennan, Ed Carey and Mike McCormick also running.

The Purple Party nominees included Ted Tomaszewicz as president; Kevin Clements, vice-president; Walt Roller, executive vicepresident; Maurice Reid, secretary; Dick McManus, treasurer; Ron campaign promises of the victorious Bittel, manager; Joe Aliberti, coordinator, and Harry Brett representative.

After eager preparation and an exciting three day campaign, the parties made their final speeches at a Senior assembly in the auditorium, under the moderation of Brother A. James.

Press Conference Prepares Writers

Ten members of the Jamesonian staff represented Loughlin at the Publications Conference for Catholic Schools held at Villanova University, Oct. 4.

Schools from seven Eastern states assembled for the purpose of discussing ways to improve school newspapers, magazines and yearbooks, and ways to spread Catholic doctrines and ideals in school pub-

Panels Give Information

The three general topics, newspapers, yearbooks and magazines, were subdivided into a series of panels. The panels were supervised by a religious while students discussed the proper methods to produce successful papers. Ted Tomaszewicz, the Jamesonian's editor-inchief, appeared on one of the panels.

The need to spread Catholic ideals was particularly stressed by the panels and by the principal speakers. Eddie Dowling, award-winning Broadway actor and producer, pointed out the spiritual laxness in the world today and encouraged the students to take up journalism as a career where they could influence many, by Catholic thinking, in their writing. Other speakers included John J. Liney, creator of the cartoon 'Henry' and James T. Quirk, publisher of T.V. Guide.

Music for Dancing

During the day, students inspected the campus at Villanova and to provide a contrast from the panels, a dance rounded out the afternoon.

Loughlin Students Mourn Death Of Pope Pius XII After 19 Year Reign

Loughlin students mourned and prayed for the repose of the soul of Eugenio Cardinal Pacelli, Sovereign Pontiff of the Roman Catholic Church, who died at his summer residence in Castel Gondolfo, October 9.

Known as Pope Pius XII to 450 million Catholics, Cardinal Pacelli has been hailed by Catholics and non-Catholics throughout the world as the Pope of Peace. Born 82 years ago in Rome, Eugenio Pacelli became a priest at the age of 23.

An outstanding scholar in school, Father Pacelli soon proved his

worth in church affairs, and 1918 saw him raised to the dignity of Archbishop, becoming the Papal Nuncio to Bavaria. As Archbishop he scored a major diplomatic triumph by carrying out a concordat between the Vatican and Germany.

Along with his elevation to Cardinal in 1929, he was appointed Secretary of State to the Pope, until March 2, 1939, when he was elected the 261st Pope. During his 19 year reign, the Holy Father kept a constant vigil against the advance of Com-

Pope Pius XII

"Blessed are the peacemakers, for they shall be called the children of God", were words which Pius XII took to heart during his 19 year reign as Vicar of the Catholic

Plagued by the malevolence of war and the irreligion of Naziism and atheistic Communism, the Holy Father expended all his energies trying to free the world from the fetters of hate and violence. The modern changes he wrought in the Church were done so to make us realize the importance of devotion to the Rosary and frequent Communion in establishing a lasting peace.

One of the highlights in the crusade for increased devotion to the Rosary was the Holy Year of 1950. During this year many opportunities for gaining indulgences were offered to the faithful, and a great honor was paid to the Mother of God when the Sovereign Pontiff declared her Assumption a dogma of faith. Again in 1954, Pope Pius proclaimed the Marian Year, in tribute to the Patroness of the United States, honoring the centennial of the doctrine of the Immaculate Conception. The purpose of this was to promote devotion to the Queen of Peace everywhere, even in the smallest parish.

Recently, the Bishop of Rome revised the rules of fasting before Holy Communion, and permitted evening Masses to be celebrated. Thus he enabled the faithful to receive the Prince of Peace more often, so that they might ask Him for a peace that "does not rest in words only, does not rely on changing formulas, suitable for the moment but which contradict the real plans and practices." But rather one "... founded on the principles of charity and justice ... true peace . . . stable, just, fair . . . and which links all together.

This year, the hundredth anniversary of Our Lady's apparition at Lourdes, in the month of her Rosary, the world was saddened by the death of perhaps the greatest leader of the Catholic Church since St. Peter. But Pius XII's spirit lives on in this, his prayer for Peace:

"We pray that Almighty God may have mercy on this stricken world, cause misunderstanding and strife to cease, truth and charity to prevail, and under His guiding spirit, the nations may enjoy the blessings of a lasting peace. Amen."

Seniors Elections —

We, the editors, speak for the entire school in congratulating the White Party on their election to office and wishing them the best of all in their future endeavors.

Sometimes it is difficult to determine if the victors were the real winners, since it is now their arduous task to carry out campaign promises, conduct student activities smoothly and assume the responsibility of numerous obligations. The student body should remain aware of this tremendous job and be patient as well as sparing in its demands.

Nevertheless, the governing body, from the president on down to the class representatives, must try their utmost to do their jobs well. Decisions must be made with regard for the welfare of all the men of Loughlin. Their assignments call for clear thinking and tact, for as ages upon ages have proved, 'if you are right no one remembers, but if you are wrong no one forgets.

To you the victors: The student government of the school is now in your hands; handle it carefully and with respect and try your best (that's all we ask). If you succeed at your task, you will reassure the seniors that theirs' was the right choice. Once again we wish you luck - you'll need it!

PERSONALITIES

ED CAREY AND KEN GLEASON

TONY RIVEZZO

The following is a paid political announcement. Meet Tony Rivezzo, Gold Candidate for President. "Butch", a four year member of the Basketball team, commutes to room 125 via the IRT. In addition to Basketball, he's a Catechist, a participant in the Bowling Intramurals, a member of the La Salle Club for three years, and cashier on the second lunch period. That's not all.

He's President of the Junior Holy Name Society in his home parish, St. Blaise, Brooklyn. Tony enjoys oil painting, an occasional game of pool (a must for Brooklynites), movies with "Ma belle amie", playing Basketball in the Parade Ground League and Bowling. Besides these varied interests, "Shortie" works as a delivery boy on Saturday.

In the future, Tony foresees taking up Construction at La Salle College, Philadelphia.

Here he is, Robert 'Cigarello' Burns. Don't call him that though, he gets burned up. He claims to be Co-Sports Editor of this glorious newspaper and Vice-President of this school; and he's right.

A recipient of the Gold "L" in his first term, this active Senior makes 125 his "Office". Besides clucking about service on the Swimming team and Radio Club, he is a former Catechist. He now maintains order in the cafeteria, although during the elections his plaid 'Bermudas' resulted in anything but good order.

Bob likes all sports, digs folk music, reading and raising cain with "les belles femmes" on Saturday nights.

Manhattan and Pre-law are his goals upon graduation.

BOB BURNS

KEVIN CLEMENTS

That tatooed native you might have seen romping through the halls during the elections was none other than the vice-president of the Purple Party, Kevin "Mau Mau" Clements. Perhaps that muscular chest is the result of three years training on the cinder paths, or maybe the weightlifting club has succeeded in making Kev into another Mr. Atlas. Along with his athletic activities, Kevin also contributes his time to the afternoon dance committee and the Student Council. This affable Loughlinite can boast of a two year membership in the Gold "L" Society and three years in the La Salle Club. Kev's hobby is repairing radios and television sets, so he has his eye on electrical engineering at Manhattan College.

Well known for his sparkling ability and winning personality, 'Connie' Mahoney claims the position of co-captain on Loughlin's swimming team. A representative of the La Salle Club in which he is also a member of the "500" club, he was vice-president of the Gold Party in the senior elections. Included among his aquatic awards are second place in the CHSAA 100 yard freestyle, and third place in the Seton Hall Inter-Scholastic Championship 100 yard freestyle. Commuting to school via the IND, Connie splashes his way into 116 every day. Following his father's footsteps, Con intends to pursue a pre-med course in college.

CORNELIUS MAHONEY

Our final hombre this month does not have a swollen head as the picture might suggest. He appears the essence of humility to all who know him; but he is not acting a part as he does so ably for the Dramatics Club.

Since his entrance to Loughlin, Oscar (the prize for which he longs) has piled up an impressive record: four years on the Public Speaking team; another four years in the La Salle Club and one year apiece on the Jamesonian and Glee Club.

Myron shuttels daily between room 117 and St. Aloysius Parish via the De Kalb Avenue 'squardine special'. Even though he made a correct political choice by backing the White Party, he maintains he did so because the initials reminded him of his goal-West Point.

LOUDSPEAKER

BOB BURNS, ED KELLY and BILL SNIZEK

The Lions are fortunate this year in welcoming back many seasoned veterans of past campaigns. These returnees will be aided by a number of Juniors who have recently earned their place on the varsity squad after having played J.V. ball. This one-two punch of returnees-new comers promise to give Loughlin one of the best cracks at the City Championship in years.

The hoopsters squad, under coach Tedesco, presently consists of the following thirteen whom you will be seeing α lot of in the coming weeks.

CHARLEY O'DONNELL - 5'7"-"Little in height but a big man in the cluch" just about sums it up. Charley is the ball hawk and playmaker of the present team. A real hustler on the court, he possesses the best set shot on the squad. When guarded closely, Charley is also a threat to drive as well as take an occasional jump shot. On his experience and quick reflexes are riding much of Loughlin's hopes for the coming

JIM BROGAN - 6'6"-Mr. President has decided to play along with PURPLE and GOLD this year as a top rebounder. Jim, the tallest member of this year's squad, plans to make good use of his height by playing inside. He is also a threat to hook left or right off the post as well as take an occasional jump shot. A towering figure on the court, Jim is an outstanding figure scholastically by managing to maintain a 90+ average.

BILL O'SULLIVAN — 6'5"—Helping Jim Brogan out this year under the boards will be Bill O'Sullivan. Bill has an excellent eye, for both his set and jump shot. Besides being a top rebounder, Bill is also one of the most versatile players, being able to work both in the post and corner with equal effectiveness.

TONY RIVEZZO — $6^{\prime}4^{\prime\prime}$ —The strong man of the team, referred to by his teammates as Mr. Muscles, will also be contributing his talents in the set and jump shot departments. Besides having acquired perfection in these two departments, Tony also excels in his drives off the post.

STU McCAFFERY - 6'4"-Stu is going to do his best to help out on rebounds this season. He also has acquired plenty of experience from last year's varsity squad, along with the previous quartet. This experience along with his exceptional eye on set and jump shots should prove a deciding factor in the forthcoming games.

ED. KATA — 5'10"—Ed is another Senior who will be playing his last year at Loughlin. It is probable that Ed will be the second back court man along with Charley O'Donnell. Ed possesses a good set, jump and a very strong drive shot in his bag of tricks. He is noted, among other things, for his ability to get a sudden "Hot Hand".

JOE LIGUORI .- 6'1"-Joe has had a great deal of J.V. experience and will be playing his first year of Varsity ball. He is handy in both the back court and corners, as well as occasionally snatching a rebound or two.

BILL PROTO — 6'2"—Bill is a veteran of past J.V. campaigns and has plenty of experience. He is a specialist as a corner man and will try to enhance the varsity by his good drive as well as set and jump shooting. Since he is a Junior, Bill is going to benefit next year's team as well as the present one.

JOE TENNENT — 6'2"—Joe has all the makings of a future Lion | Ed Kelly, Vincent Eneclerico and great. He possesses a good drive and jump shot only to be matched by his excellent rebounding. A veteran of J.V. play, Joe is looking forward to contributing his talents to this as well of next year's club.

LOU VIERLING - 5'11"-Lou is another up and coming Junior could possibly beat any team in and the high average. who will be receiving seasoned experience on this year's varsity New York State." squad. He is very good back court man and is able to drive from any and all possible possessions and directions. He is very agile and swift afoot.

ED PARE - 6'0"-Ed is another Junior with excellent co-ordination in jump shooting and shows a steady pair of hands by set shots. Besides a stand out on offense, Ed plays his best game on defense. His dazzling defensive play will come in handy in the tense moments of the coming season.

GEORGE PETERSON — 6'2" — George will also play varsity ball the first time this year. Since he is only a Junior, George will serve chiefly as a rebounder and try to improve his reflexes Brooklyn Prep. for future play. George already possesses one of the deadliest jump shots on the squad.

KEVIN McMANUS - 6'1"-Kevin is the last member but certainly not the least, of the present season's squad. Kevin is also a Junior, who is very adept at rebounding and can be depended on to score either on his jump or set shots for the Lion cause Brooklyn Prep.

FINAL NOTE — This year's basketball season begins on Nov. Trinity 14 against Manual Training High School. Let's get behind the hoopsters and cheer them on to an undefeated season!

Senior Division

All standings are based on the 5-point system which allows one point for high game. In the Senior division, class 119A is in the lead followed by 117A, 126A, 125A, 116A and 117B. Mike Farrell has the high average of 133 points. Al Wilderman and Bob Cusick follow with 150 and 143, respectively.

220 and Half Mile

The junior-220 and half-mile saw Sacklyn, Thomson, Villani and Lopesto finishing in that order. Christopher, Prudhomme and Babar took the open in the 220.

In the other events Cappielo took the half mile, O'Brien won the shot put, class 425 snatched the 440yard relay, while 426 got the 880.

More To Come

Tennis intramurals will commence shortly under the direction of Brother A. Victor. These will be open to Freshmen and sophomores.

Since the JV schedule will not allow the early start of the swimming program, they will be held in the Spring. The regular Freshman squad started its season Oct. 13.

Sophomore basketball began Oct. In the "A" division of Juniors 7. The forty teams competing play two teams playing each day. Brother A. Michael, the team's moderator, stated that the games will conwith 225. Ron Cuneo and Walt tinue even if they cut into the beginning of the JV schedule.

Loughlin's tennis team, under the direction of Brother A. Victor, seems to contain much promise.

Well Balanced Team

In contrast to last year's team but one main player: Terry Mc-Mahon, this year's team is "wellbalanced" with very promising players such as: Kevin Dunn, Bill Rico, and Tony Ficara, all sophomores. These three racquet-men won last year's Frosh Intramurals. Loughlin's present answer to Mc-Mahon is senior Harry Brett.

The Lions paced fourth in the CHSAA games on Sept. 26. Their competition included All Hallows, Chaminade, Fordham, Stepinac, St. John's, LaSalle M.A., and St. Mary's, Manhasset. To recall to our minds, and for the benefit of the freshmen, Terry McMahon won lastyear's singles tournament in the CHSAA 6-1, 2-6, 6-3.

Nets at Fort Greene

This year, Bro. Victor expressed hopes of obtaining nets at Fort Greene Park so that the team can play there until the winter arrives.

The Lions have a scheduled match with West Point on April 19, on their courts.

> Dedicating themselves to Mary, "Mediatrix of Grace", a small group organized the first praesidium, i.e., the local functioning unit of the Legion, in Dublin, Ireland, in September of 1921.

Demonstrating the widespread growth of the society is the fact that just thirty years later, when the upheavals in China had been A square is real "green" (intro- effected, it was confirmed that over

once a week under the moderation of Brother B. Raymund. Their work is varied. It ranges from training youngsters for Communion and Confirmation to visiting homes for the aged, such as Oxford Home.

Increase in reverence for Mary continues to be a prime objective and literature is provided to attain this purpose. Following the initiative taken at Loughlin, new praesidia have been planned in other schools conducted by the Christian Brothers.

Bishop Bryan McEntegart welcoming the new units declared that they provide excellent spiritual training and moral discipline.

Suggests the Golden Rule

Speaking in the same pleasant manner which has made him America's number one M.C., Mr. Clark, when asked what remedy he suggested for Juvenile Delinquency, replied: "If every teenager followed the Golden Rule, do unto American Bandstand, Oct. 8. others as you would have them do unto you, there would be no such problem . . ." and suggested more community sponsored programs.

Backs Rock and Roll

Another significant question was whether Rock and Roll was demoralizing today's teenager, and he quickly asserted that "no music" was hurting today's teenager, and that in fact, Rock and Roll, which is the most popular form of music in Europe, Asia and other foreign countries, was actually fostering American cultural achievements

Two questions in which many of the students were interested were: "Do you like Rock and Roll?" and "Do you think it's here to stay?" In answer to the first, he stated "not all of it", and to the second, quenching some hopes and worries, replied: ". . . it's here to stay, with maybe a few changes."

Heart of the Matter

KEN TELESCA

N A MOST CRUCIAL STRUGGLE for independence the islands of Matsus and Quemoy, which Red China claims as hers, remain as the only link to the free World.

History

One hundred miles in area they are situated three to fifteen miles off the mainland of China and ninety miles op-

posite Taiwan. Nine years ago, using these islands as stepping stones, Generalissimo Chiang-Kai-Shek fled to sanctuary in Formosa when the Communists conquered China.

To the present, the off-shore islands are regarded as the vital link in a chain of islands stretching from the Aleutians. When the Communists subjected these islands to acute bombardment in 1954, Washington negotiated a Mutual Defense Treaty for the protection of Formosa, stating that should further aggression continue it would be viewed as hostile as well as dangerous to the Red Chi-

nese. Until last month the Communists did not know whether that document committed the United States to the aid of the off-shore islands and presumably were not taking any chances.

Present Status

Meanwhile pressure mounted as to whether Quemoy take more action. Russia then warned the U.S. that any attack on Red China would be considered as a stab on the nevertheless, there are a few Soviet Union.

> On the home front most Republicans and Democrats agreed with Eisenhower; who say we are being dragged into World War through the back-door by a dictator, a Chinese war-lord who was driven from China.

As for the Communists, there was still no indication from Warsaw of concrete progress in negotiation; yet the only hope is that a conference stop there but would liquidate will give the Communists a all of the free World positions way of talking the crisis to in the Western Pacific.
